Your voice counts! Please take a moment to share your comments on this form. A comment box is available at the public meeting for you to deposit this form, or you may send it in to the address on the back page by July 6, 2006. We value your input and thank you for your interest and participation in the Cook DuPage Corridor study.

1. Goals and Objectives:

2. Conceptual Options

   a. Hub and Spoke:

   b. Multiple Hub and Spoke:

   c. Grid Network:

   d. Point-to-Point Service:

   e. New Use of Existing System:

(Over)
Mobility Concerns

3. If you could make only **ONE** improvement to the Corridor’s transportation system, what would it be and who would be served?

4. How does the current transportation system benefit your community?

5. How does the current transportation system negatively impact your community?
